Attention All Gun Club Members and Perspective Members

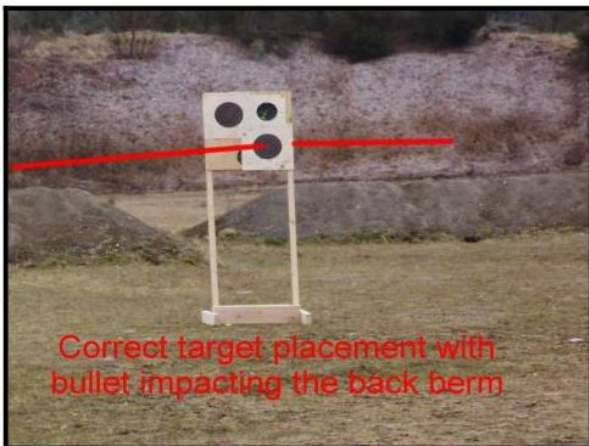

Please read and sign to finish the membership process, this must be completed and returned with application form before membership will be approved or renewed. Failure to comply may result in your loss of membership in the Okanogam Wild Life Council.

We have been having a problem with people shooting at targets on the range floor. This causes rounds to ricochet over the berms and backstops as shown below. **We cannot allow this to happen!**

It is because of this that we have made it mandatory that **all** shooters **must** shoot at approved target stands with proper backstops/berms as shown below. **At no time are targets to be placed on the**

range floor and shot at!
